Hello friends and colleagues,

A friendly reminder that as a follow-up to Councilmember Huizar's recent press conference, The People Concern will officially launch its new homelessness multi-disciplinary response team effort with a **Multi-Disciplinary Outreach Kick Off event this Wednesday, September 20th from 1:30PM to 4:30PM** at California Community Foundation's Palevsky Center (please see attachment for directions and parking information).

This Kick Off event will cover all four of the new outreach teams in Service Provider Area 4 (SPA 4), including the Downtown team. It will be an opportunity to learn more about the genesis of this strategy, how this strategy is being implemented in Downtown and across SPA 4, **as well as to meet the Downtown team and give input on where their outreach is needed most.**

The Coordinated Outreach Strategy is being supported by Measure H funds and strategy leads, DHS and LAHSA, and is operated by The People Concern (formerly LAMP and OPCC).

This event is meant to be an open invitation to all interested stakeholders and community partners to learn more about the efforts, and participate in the first step of an ongoing conversation that will help shape this work.

If you are unable to attend but would like to share input for the Downtown Outreach team, please email Jesus Torres at JesusT@ePath.org.

Warmly,

Ari
